From the Proprietor

Welcome to Masterpiece Nursery and Primary School, a coeducational and Christian centre of learning and home.

The burning desire in my heart is to offer a world-class institution of learning as well as contribute to the educational sector of the nations gave birth to this noble school. In line with the desire of Christ, our school develops the spiritual, intellectual, moral and socio-cultural dimensions of her pupils.

With an understanding of today and a look at tomorrow, we prepare pupils for purposeful living in whatever society they find themselves.

The design of our curriculum provides a complete continuity of learning for pupils from infant centre to year 6. Our learners are given appropriate advice and support in making the transition from infancy to childhood preparing them fully for higher educational opportunity.

This brochure is put together to enable you to view what we do and how we go about achieving our set vision. We desire to partner with you in your God-given assignment of raising an excellent leader.

I believe that you will entrust them to God through Masterpiece Nursery and Primary School.

Yours in His Vineyard
Modupe Oyekunle (Mrs)
